Projects

myBudget

Track and follow your monthly budget!

Django, SQL, Python, Bootstrap

- Implemented Django and Python to easily input your monthly budget and purchases, as well as edit or delete the budget in case of a mishap.
- Styled pages using Bootstrap and CSS, as well as incorporating some JavaScript.
- Created application with a user friendly approach to make it fast and easy for all ages.

GoodVibes Betting

A front-end app that captures sportsbook odds

React.js, HTML, CSS, Bootstrap, API

- Created a translator application making fetch calls to an API for sports odds.
- Used React.js to serve the front-end with Javascript methods and functions.
- Styled and created the visual aspects using HTML5 and CSS, as well as implementing Bootstrap.

InstantGramification

Instagram but in a fun way!

HTML, CSS, JavaScript, Node.js, Express, Mongoose, Bootstrap, Postman

- Collaborated with 2 developers on this project in a 2 week sprint for completion.
- Made RESTful API fetch calls to an Express, MongoDB, Node.js backend handling all create, read, update, delete (CRUD) operations, and tested all backend routes during development using Postman.
- Used Mongoose to define schemas for MongoDB collections.
- Implemented CSS to provide style and flexbox layout of the application.

Experience

Ray The Plumber

Plumber
Bohemia NY
2019 - 2022

- Responded to 3-8 plumbing emergencies per shift, including water leaks, drain stoppages, no hot water/heat.
- Trained 2 new hires and apprentices each quarter on basic plumbing practices and strong communication practices with customers.
- Collaborated with a team of 2-5 to complete big jobs in a timely manner.
- Detail oriented to ensure the work area in the customer’s home was cleaned and sanitized.

New Vitality

Customer Service/Sales
Deer Park, NY
2018 - 2019

- Provided excellent customer service to at least 20 clients each day and made sure they were all completely satisfied with their vitamin purchase.
- Collaborated with a cross-functional team of 13 to reach monthly sales goals.
